

Call For Submissions Christian Season Calendar 2018-19

University Hill Congregation of Vancouver, British Columbia is accepting submissions for their 2018-2019 Christian Seasons Calendar, which tells the story of the Christian year through scripture, liturgical colour, and artwork. Now in its 20th year, this unique calendar features contemporary Christian visual artists and is distributed throughout North America and internationally.

The 2018-2019 Christian Seasons Calendar features the six Seasons of the Christian year: Advent, Christmas, Epiphany, Lent/Holy Week, Easter, and the Season After Pentecost (www.thechristiancalendar.com). We invite artists to submit up to 3 qualifying pieces of original artwork for consideration. **The deadline for submissions is Wednesday, May 30th, 2018**

In order to be considered, pieces must be horizontal and have a 4:3 aspect ratio (IE: 12"x9" horizontal) and have a screen resolution of at least 300ppi at 12"x9". This will yield a minimum file size of 3600 x 2700.

If your original artwork does not conform to this aspect ratio and you wish to submit it for consideration anyway, please provide a cropped selection (or a crop guide) of the original work that does adhere to the 4:3 ratio and meets the screen resolution requirements of at least 300dpi.

You can check image size on a PC by clicking the Windows Start button on your taskbar. Type Windows Explorer into the search bar. Open Windows Explorer. Find the image you want to check. Select your image. The dimensions and file size appear at the bottom of the window.

You can check image size on a Mac by right-clicking the file and going to "get info". The file size is shown under the "more info" tab.

Please tell us about your submission(s)
